

KS3 Citizenship

	Content
Year 7 HT1	Students will complete a 10 week course and will study:
Year 7 HT2	Human Rights In this first unit, students are introduced to the concept of Citizenship and will consider the rights and responsibilities citizens have. They will explore the rights we have in the UK and where these rights come from and consider whether everyone has these rights, both here in the UK and elsewhere.
Year 7 HT3	Discrimination Students will then go on to explore the issue of discrimination and consider a variety of reasons why people may be discriminated against including: race, gender and disability. In this unit, students will have an opportunity to take citizenship action through completion of a disability access survey of the school site and following this up with appropriate actions to make positive improvements within the school.
Year 7 HT4	
Year 7 HT5	
Year 7 HT6	Global issues - Environmental responsibility In this final unit, students will be looking at a range of issues citizens have contributed to within our environment including: pollution and climate change and consider how these can be sustainably managed. They will consider the role we, as citizens, have in trying to solve the world's environmental problems.
Year 8 HT1	Students will complete a 10 week course and will study:
Year 8 HT2	Identity and Diversity in the UK In this unit, students explore what a community is and consider how and why our communities and becoming more diverse. They will consider the impact of migration on communities and the UK as whole before considering the importance of community cohesion in the UK.
Year 8 HT3	The Media Within this unit, students will explore different type of media and the changing role it has in the UK. They will consider factors affecting media bias and the importance of a free press in a democratic society.
Year 8 HT4	
Year 8 HT5	Crime and Justice In this final unit, students will study changing trends in crime in the UK and the different punishments available in the UK justice system, considering their effectiveness in preventing crime and reoffending.. They will then look at the way the youth justice system in the UK works and consider its effectiveness in preventing incidences of crime in young people.
Year 8 HT6
