

Thomas Lord Audley School

Computing Department

Curriculum Overview

	Year 7	Year 8	Year 9	Year 10	Year 11
Autumn 1	Digital Skills & E-Safety	Digital Skills & E-Safety	Cyber Security	System Architecture	Operating Systems & Utility
Autumn 2	Computing Concepts	2D Animation	Data Representation	Memory / Storage / Data	Programming Techniques & Languages
Spring 1	Computing Concepts	Further Computing Concepts	Python Programming	Algorithms	Computational Logic & Robust Design
Spring 2	Programming	Vector Graphics	Graphic Design	Data Representation	Ethics, Legal, Environment
Summer 1	Computing & Society	MicroPython	Python Programming	Network Topologies	Exam Preparation
Summer 2	Micro:Bit	Web Development	Photography	System Security
