Year 10 HT1	<u>Grammar and translation skills</u> GCSE students will revise key grammar formations learnt in KS3 <u>Family Relationships</u> Students will revise key vocab and structures learnt related to family . They will learn more complex ways to describe people in their family, and learn about the concept of reflexive verbs. They will learn about future plans by using the simple future tense, and talk about friendships
Year 10 HT2	<u>Healthy lifestyles</u> Students will recap previously learnt food and drink items. They will learn about key nutrition vocab in their studied language, and be able to discuss which foods are healthy/ unhealthy and the reasons why. They will recap frequency phrases to be able to talk about their own lifestyle habits. They will additionally learn about health problems and addictions, and use the past tense to say what they've done recently.
Year 10 HT3	<u>Education and work</u> In this unit, students will discuss Post 16 education choices, talk about their dream school and learn about jobs in creative industries. The concept of work experience will be introduced
Year 10 HT4	<u>Free time activities</u> Students will recap the past tense to talk about leisure activities. They will learn about TV, film and cinema and discuss their preferences. They will learn new vocab for leisure activities and talk about how these differ worldwide, with the addition of extreme sports.
Year 10 HT5	<u>Customs, festivals and celebrations.</u> Students will discuss special occasions in the Francophone calendar. They will use 3 tenses to talk about events which have happened and will happen in future
Year 10 HT6	<u>Celebrity Culture</u> Students will learn about notable celebrities in Francophone countries, and discuss the pros and cons of being famous. In terms of grammar, students will use reflexive verbs to learn about French speaking celebrities
Year 11 HT1	<u>Environment</u> This unit will build on from the local environmental issues that students learnt about at the end of Year 10. In addition, we will discuss global environmental issues, such as global warming and deforestation. Students will read authentic texts related to these issues, and learn how to express their opinions on this challenging theme. They will recap modal verbs in order to say what should be done to improve environmental issues.
Year 11 HT2	<u>Social issues</u> This unit will consist of students learning key vocab and structures related to poverty and homelessness, both locally and internationally. Students will be able to discuss the topic of volunteering, and will apply high level grammar constructions in the work that they do. Students will also recap food and drink with the focus on healthy/unhealthy habits.
Year 11 HT3	<u>Customs and Celebrations</u> This unit will recap previously learnt information pertaining to key dates and events in the French/German/Spanish calendar. Students will practise exam questions which link to the topic, and ensure that they can write in detail about these key events, including how they may differ from British celebrations
