- DfE (2020) 'Adapting teaching practice for remote education'
- DfE (2020) 'Guidance for full opening: schools'
- DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
- DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
- [New] DfE (2020) 'How schools can plan for tier 2 local restrictions'
- DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'

2. Contingency planning

<https://www.gov.uk/government/publications/how-schools-can-plan-for-tier-2-local-restrictions/how-schools-can-plan-for-tier-2-local-restrictions#remote-education>

2.1 The school will work closely with the LA to ensure the premises is safe and secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.

2.2 The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.

2.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.

2.4 If local restrictions are not applied, but a 'bubble' needs to self isolate, the school will immediately implement remote learning for that group.

2.5 Where there are no local restrictions in place, the school will continue to remain fully open to all.

3. Teaching and learning

3.1 All pupils will have access to high-quality education when remote working.

3.2 The school will use a range of teaching methods to cater for all different learning styles.

3.3 Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.

3.4 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
- Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.

3.5 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

3.6 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.

3.7 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

4. Returning to School

4.1 The headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.

4.2 After a period of local lockdown rules, the headteacher will inform parents when their child will return to school.
