

TLA Attendance

We are now working in partnership with Attendance Solutions Essex. We are closely monitoring attendance and would like to work with students and parents/carers to improve our overall attendance in school.

Representatives from Attendance Solutions Essex will be meeting our students and discussing attendance levels and how improvements can be made and you may also receive letters home to inform you about your child's attendance.

Where attendance becomes a concern you may be invited to a meeting in school where we can offer support and advice on how improvements can be made.
